CAREER DAY – Thursday February 21, 2008

The 15th Annual Engineering Career Day is almost here! This exciting event will be held on Thursday 21 February 2008 and will kick-off at 0900 in the Don Morris Room at the Marshall University Student Center. The Huntington Post is proud to present at least three \$1000 scholarships this year. Lunches will be available for a cost of \$12.00.

SUSTAINING MEMBERS

AMEC
 ARCADIS
 Barr & Prevost
 Bergmann Associates
 Bio-Chem Testing Inc.
 Black & Veatch Special Projects Corp.
 Buchart-Horn Inc.
 Burgess & Niple
 DLZ National Inc.
 E. L. Robinson Engineering Co.
 Eastham & Associates
 EMH&T Engineers
 Erdman Anthony & Associates
 FMSM Engineers
 GAI Consultants Inc.
 Gannett Fleming Inc.
 GeoSyntec Consultants
 H. C. Nutting Company
 HNTB
 Jacobs
 L. Robert Kimball & Associates
 LJB Inc.
 Madison Coal & Supply Company
 McTech Corporation
 Michael Baker Corp.
 MS Consultants Inc.
 Palmer Engineering Co.
 Parsons Brinckerhoff
 Photo Science Inc.
 Potesta & Associates Inc.
 Prime Engineering & Architecture Inc.
 REIC Laboratory
 Strand Associates Inc.
 Terraine Inc.
 Tetra Tech
 The Mason & Hanger Group Inc.
 The Peck Group Inc.
 TMG Services
 Triad Engineering Inc.
 Woolpert Inc.

Please consider sponsoring a lunch for one or more of our students, only \$12.00. This will help the Post defray the cost of the luncheon and devote more towards scholarships. Your help would be greatly appreciated.

The Luncheon will begin at 1200 in the Don Morris Room at the Marshall University Student Center. You can make a luncheon reservation and sponsor a student lunch - **NO LATER THAN 15 FEBRUARY** - by calling Mike Fitzwater at 304-399-5933 or e-mailing gary.m.fitzwater@lrh01.usace.army.mil. Sustaining members, please make your reservations, and student sponsorships, with Cheryl Brunty at 304-399-5006 or cheryl.d.brunty@lrh01.usace.army.mil.

In lieu of our regularly scheduled meeting, all Post members are encouraged to attend Engineering Career Day on Thursday, 21 February 2008. See the flyer later in this issue.

MONTHLY POST MEETING SCHEDULE

February 21, 2008 – Engineering Career Day

March 11, 2008 – Monthly Meeting

April 8, 2008 – Monthly Meeting

Don't forget to ask Dave Meadows for a PDH certificate if you need one.

Does your firm have a special announcement or major promotion on a SAME member?

If so, contact Tom MacFarland, thomas.g.macfarland@usace.army.mil or (304) 399-5369, and he will include it in the next edition of "THE BRIDGE".

MESSAGE FROM THE PRESIDENT

Fellow SAME Members,

This month we will celebrate and host our 15th Annual Engineering Career Day with Marshall University. This is a great way to excite and encourage many of our High School age students to pursue an education in science and engineering. The efforts of engineers and scientists touch almost everything within our daily lives. Whether designing and building our infrastructure, manufacturing equipment, or developing information technology equipment (to name a minute few), they continually strive to make things better and safer for the public. Let's share some of our experiences that got us passionate about our professions and ignite that flame for those who will follow us. See you at Engineering Career Day!!

Colonel Dana Hurst, P.E.
Post President

STREAMERS

SAME Headquarters has confirmed receipt of all 4 of our streamer submissions for 2007. (See below.) Thanks to Dave, TMac and Mike for their help in writing our submission packages. It takes a lot of time and research to review and write up all that we did over the last year.

Once again, I'm amazed at how much the Post accomplished during the year with Engineer Career Day, the Academy of Excellence, the Golf Outing, the Holiday Dinner Dance, the Post luncheons, and all of the other activities we take part in.

You all can be proud of yourselves and know that we are making a difference in students' lives and in our community.

Looking forward to an exciting 2008 and with hosting the Regional!

Mark

Special thanks to Mark Kessinger for coordinating the efforts and making sure they were submitted on time.

15TH ANNUAL

ENGINEERING CAREER DAY

21 FEBRUARY 2008

Hosted by

Society of American Military Engineers

and

Marshall University

College of Information Technology &

Engineering

at the

MU Student Center

To assist with the event please contact:

Joan St. Clair at x5088 or Joan.B.Stclair@usace.army.mil

To sponsor students or attend the luncheon please contact:

Cheryl Brunty at x5006 or Cheryl.D.Brunty@usace.army.mil

Sustaining Member of the Month

Photo Science, Inc. of Kentucky
2670 Wilhite Drive
Lexington, KY 40503
606-277-8700; 606-277-8901 (fax)
info@photoscience.com (e-mail); www.photoscience.com

Photo Science is a full-service aerial photography, GPS field control, and photogrammetric services firm; with a staff of over 100 professional and technical personnel devoted exclusively to aerial photography, surveying, and photogrammetry. Our team of professionals includes 14 Certified Photogrammetrist, 3 Professional Engineers, 10 Professional Land Surveyors, 1 Certified Mapping Scientist, and over 70 cartographers, technicians, and support personnel.

Photo Science owns and operates leading-edge technology. Key equipment includes 5 fully customized, state-of-the-art aircraft including Airborne GPS capability with full-time pilots ready to mobilize at a moments notice; 13 GPS units; 19 analytical stereo plotters; and 15 Intergraph and Vision SoftCopy systems with complete Digital Orthophoto, GIS, AutoCAD, and Arc/INFO services.

Photo Science's dependability, accuracy, and superior quality are the benchmarks of the commitment to excellence shared by the entire Photo Science staff. This focus on professional skills, supported by state-of-the-art technology, enables the firm to fulfill the professional needs and requirements of a broad range of clients. We possess the scientific capabilities and technical know-how to provide the best possible services, large or small. Our services are as follows:

- | | |
|--|--|
| Aerial Photography (digital, film, and LIDAR) | Global Positioning System (GPS) Surveys (Airborne GPS) |
| Digital Photogrammetry and Digital Data Capture | Aerotriangulation (conventional and softcopy) |
| Interactive Graphics / Computer Mapping | Data Conversion Services |
| Cartography | Remote Sensing |
| Image Analysis | Geographic Information System (GIS) |
| Automated Mapping / Facilities Management (AM/FM) | Digital Orthophotos |
| Satellite Imagery | |
| Photo Lab Processing and Precision Photographic Reproduction | |

Our reputations for attention to detail and quality service are key reasons why we are unparalleled in the field of photogrammetry. Clients return to Photo Science because they know they can trust our staff to deliver a product of exceptional quality, on time, and at a competitive price.
